Tips of the Trade

Prepare Ahead

This refers not only to making sure that you have alternate transportation available at the end of the evening, but also that you are not beginning your evening on an empty stomach. Though experts might say your senses are heightened when you are hungry; after a long day some food will help keep your energy level up and temper the effects of consuming alcohol. Remember - the Wine Festival will focus on the wines (pours are 1oz). Bread will be available at a self service station compliments of Kuipers Bakery. The Victoria Inn will be serving cheese trays (for a reasonable price) at the service counter to compliment your wine samples.

Plan Your Attack

As you enter the show pick up your tasting glass and catalogue and take a few minutes to survey the room and organize your route. Given there will be a large number of wines to sample and limited time, it is extremely useful to decide where you want to go first. Whatever the plan, bring a pen and note the wines you have tasted, particularly the ones you like in case you want to purchase them at your local Liquor Mart.

Spitting is OK

In fact spitting the wine after tasting is an essential part of the process for those who wish to maintain any objectivity during the course of the evening. Look for buckets or strategically placed receptacles into which, like the pros, you can spit the wine after swishing it around in your mouth.

Learn From the Winery Representatives

Each winery at the show will have experts behind their table. Feel free to ask questions or discuss your views about the wines you are tasting.

Be Courteous to Other Tasters

The tasting area is likely to be quite crowded, especially around the most popular wines. Once your sample has been poured for you, and if you are not engaged in discussion with those pouring, let someone else in to try the wine. This will ease both potential congestion and irritability.

Go With Your Personal Preferences

After all is said and done you are the only expert when it comes to pleasing your palate. The best way to learn more about your own likes and dislikes is to try different wines and trust your own judgment. The best thing about a wine show is that it presents an ideal opportunity to try as many different wines as possible in a relatively short time.

16TH ANNUAL

Rotary Westman Wine *Festival*

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. In 166 countries worldwide, approximately 1.2 million Rotarians belong to more than 30,000 Rotary clubs.

The main objective of Rotary is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty

and hunger, the environment, illiteracy and violence. They also support programs for youth; educational opportunities and international exchanges for students, teachers, and other professionals; and vocational and career development. The Rotary motto is "Service Above Self".

The Rotary Club of Brandon has been serving the Westman area since 1921 and was proud to support the 2006 Canadian Special Olympics, a showcase for our beautiful city and the spirit of good sportsmanship. Examples of more recent initiatives include: The Ashley Neufeld Softball Complex, BRHC Rooms for Renewal, YMCA play structure, and the 9/11 Memorial Project at the International Peace Garden. Ongoing support is provided to the Elspeth Reid Family Centre, 82 RCACS and Newspapers in Education to name only a few.

The Elspeth Reid Family Fund provides funding for programs offered at the Elspeth Reid Family Resource Centre and satellite locations throughout Westman under the auspices of Child and Family Services of Western Manitoba.

The Elspeth Reid Family Resource Centre offers a variety of programs for parents and children, from infants to teens, with a focus on strengthening families. The Elspeth Reid Family Resource Centre is available to all families and currently serves over 1,000 families each year.

Situated in the heart of Brandon, the Elspeth Reid Family Resource Centre has become known by the general population as the "place for families", a place where they can develop feelings of belonging in the community.

Hold my hand...together we're stronger!
